## 8 Million Customers and Growing

*Toronto, March 29, 2019:* Spreading its wings across the globe, Black Banx expanded its reach to 8 Million customers.

Continuing its success from previous years, Black Banx remains the fastest growing Digital Bank in the global FinTech space. Since its launch in December 2015, the Group has acquired more private and business customers than any other organisation. Driven by its global market approach, Black Banx has now more than 8 Million customers located in 180 countries, all the territories served by Black Banx.

In May 2018, Black Banx formerly know as WB21, reached the 5 Million customers mark. As the company is reaching new heights, the growth in market share was clearly visible with evident growth primarily in Latin America, Africa and Asia.

Black Banx offers international bank accounts to individuals and businesses in 180 countries for 28 different currencies. Fastest cross-border payments and lowest banking fees are the two unique factors that enabled the company to have the fastest momentum of growth.
